Electronic Prayer Boards

4 years ago, LEDsynergy, designed and manufactured a Pre-programmed Electronic Salaah-Time Display for the muslim community in South Africa. This is a unique product and most suitable for the special requirements of muslim communities throughout the world.

This stand alone display has proven to be a reliable and acceptable means of recording and displaying our daily salaah-times and other important times to muslim communities and is rapidly becoming a standard feature in masjids throughout our country.

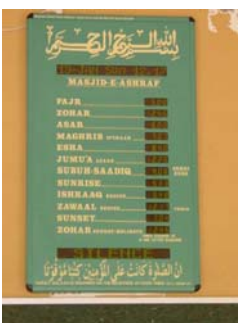

Alhamdulillah, we are now able to offer Muslim communities and Mosques in your country to invest in these attractive Pre-Programmed Electronic Salaah-Time Displays.

PolyComp also manufactures Mosque Clocks and Zawaal function and outdoor Funeral Notice Boards.
