"I am over the moon!" *Quartermaster*
- Army Land Forces HQ

"Well done, system all up and running for D-day, and very positive comments from all the staff."
Richard Aschough (Treasury) - Bank of England

"I've dealt with a lot of LED companies and I wouldn't ever now consider moving from LEDsynergy" *Paul Holland - WAE Group*

"Our new electronic displays really help, before the displays, the visitors made their way to the nearest ride or the most popular. This created large queues on some, but no waiting on other rides, but with the introduction on the boards visitors are better informed, making a more enjoyable day for all" *Chris Burton - Park Manager - Legoland*
